

Neighborhood Cluster Groups (Groups A-K) For Emergency Preparedness And Social Networking

(Found on the right side of an entry below provided phone numbers i.e. "A")

Below is a chart that shows the areas for each group and phone tree coordinators, who we are calling "Cluster Captains."

In the event of potential hurricanes, we will activate the phone tree to determine for each of the neighborhood groups, who plans to stay and who plans to leave. We will then coordinate assistance for people who need it, as best we can.

Please feel free to make connections with those in your neighborhood cluster group. You might offer mutual support such as sharing rides or enjoying a neighborhood potluck dinner, or any number of other kinds of activities.

Group A – Pensacola Downtown / East Hill (Zip Code 32501, 32502, 32503)

Eleanor Cutts
