Singing for our Lives – Holly Near

We are a gentle angry people,
and we are singing, singing for our lives

We are a justice seeking people,
and we are singing, singing for our lives

We are gay and straight together
And we are singing, singing for our lives

We are a gentle, loving people
And we are singing, singing for our lives

We shall go forth - Words and Music by Margie Adam

We shall go forth, We shall go forth,
We shall go forth, We shall go forth.

We shall go forth from this place
Proud of the things we've done
Sharing the things we've won
We shall not fail.

We shall go forth from this place
Willing to open wide
Sharing the light inside
We shall not fail.

Bringing together all we know
For others who are struggling alone
Bringing together all we are
Offering those who want to find us
A way to find us
A way to see

We shall go forth from this place
Taking with us the pride
Of knowing we can decide
We shall not fail
We shall go forth, we shall go forth
We shall go forth, we shall go forth!

Closing words

Go forth -

But return to this community,

Where kindred spirits live,

Where all are welcomed, valued and included.

Go in peace. Go in joy. Go in love.

And always, go with music.
